

ENVIRONMENT POLICY

Our hotel is following on the environmental policy and power policy;

Our hotel is following and updating national laws, environmental laws and regulation of nature,

Our nature policy with in the hotel staff, guests, suppliers to try and inform them on the courses of environmently,

Our nature policy is to uphold with environmental without distroying nature,

We are trying to use energy and natural resources efficiently,

We are always updating our staff with information of environmental,

We are giving our staff knowledge of environmental, and make them aware of nature,

We are trying to educate the next generation,

We are giving and undertaking nature course.
